1/ Agricultural areas selected for inclusion are those areas in which a peak of at least 8,000 seasonal hired workers or 1,000 foreign workers was reached in 1966 as reported in In-Season Farm Labor Reports, ES-223. Data for each area are omitted during months for which they are not required to submit ES-223 reports. Such reports are not required for periods in which fewer than 500 seasonal farm-workers are employed unless higher employment will be resumed after a "lay-by" period or foreign workers are employed. Figures are preliminary and subject to revision.

2/ The number of contract Puerto Rican workers is a subtotal of interstate migrant workers.

3/ Includes 1,243 British West Indians and 813 Canadians.

4/ All British West Indians.

5/ All Canadians.

6/ Includes 83 Canadians and 47 British West Indians.

7/ Includes 4 Canadians and 19 British West Indians.
